

**REMARKS**

Applicants thank the Examiner for the thorough examination of the present application, and the indication that all claims substantively define over the prior art. The Office Action did, however, object to (and reject) the pending claims, based on certain informalities. Applicants have amended the claims herein to address and overcome all such objections and rejections. Applicants respectfully submit that the claims are allowable, and all objections and rejections be withdrawn.

No fee is believed to be due in connection with this amendment and response to Office Action. If, however, any fee is believed to be due, you are hereby authorized to charge any such fee to deposit account No. 20-0778.

Respectfully submitted,
